I don't care if the sun don't shine  
I get my loving in the evening time  
When I'm with my baby

It's no fun with the sun around  
But I get going when the sun goes down  
And I meet my baby

That's when we kiss and kiss and kiss  
And then we kiss some more  
Don't ask me how many times we kiss  
At a time like this, who keeps score

So I don't care if the sun don't shine  
I get my loving in the evening time  
When I'm with my baby

That's when we kiss and kiss and kiss  
And then we kiss some more  
Don't ask me how many times we kiss  
At a time like this, who keeps score

So I don't care if the sun don't shine  
I get my loving in the evening time  
When I'm with my baby
