I feel a song coming on  
And I'm a-warning you, it's a victorious  
Happy and glorious new strain  
I feel a song coming on  
It's a melody full of the laughter  
Of children out after the rain

You'll hear a tuneful story  
Ringing through you  
Love and glory, Hallelujah  
And now that my troubles are gone  
Let those Heavenly drums go on drumming  
'Cause I feel a song coming on

You'll hear a tuneful story  
Ringing through you  
Love and glory, Hallelujah  
And now that my troubles are gone  
Let those Heavenly drums go on drumming  
'Cause I feel a song coming on
