"If"

If they made me a king I'd be but a slave for you
If I had everything I'd still be a slave for you
If I ruled the night
Stars and moon so bright
Still I'd turn for life to you

If the world to me bowed yet humbly I'd plead to you
If my friends were a crowd I'd turn my needs to you
If I ruled the earth
What would life be worth
If I hadn't the right to you

If the world to me bowed yet humbly I'd plead to you
If my friends were a crowd I'd turn my needs to you
If I ruled the earth
What would life be worth
If I hadn't the right to you
