If you were the only girl in the world
And I were the only boy

Nothing else would matter in the world today
We would go on lovin' in the same old way
A garden of Eden just made for two
With nothing to mar our joy

I would say such wonderful things to you
There would be such wonderful things to do
If you were the only girl in the world
And I were the only boy

I would say such wonderful things to you
There would be such wonderful things to do
If you were the only girl in the world
And I were the only boy
