I'm confessin' that I love you tell me do you love me too  
I'm confessin' that I need you honest I do  
Need you every moment un your eyes I read such  
strange things  
But your lips deny they're true  
Will your answer really change things makin' me blue?

I'm afraid someday you'll leave me saying can't we still  
be friends  
If you go you know that you'll grieve me all my life on  
you depends  
Am I guessin' that you love me dreaming dreams of  
you in vain  
I'm confessin' that I love you over again.

I'm afraid someday you're leave me saying can't we  
still be friends  
If you go you know that you'll grieve me all my life on  
you depends  
Am I guessin' that you love me dreaming dreams of  
you in vain  
I'm confessin' that I love you over again...
