It's beginning to look a lot like Christmas  
Everywhere you go  
Takes a look in the five and ten  
Glistening once again  
With candy canes and silver lanes aglow.

It's beginning to look a lot like Christmas  
Toys in every store  
It's the prettiest sight to see  
Is the holly that will be on your own front door  
A pair of Hopalong boots and a pistol that shoots  
Is the wish of Barney and Ben  
Dolls that will talk and will go for a walk is the hope of  
Janice and Jen  
And Mom and Dad can hardly wait for school to start  
again.

It's beginning to look a lot like Christmas  
Everywhere you go  
There's a tree in the Grand Hotel  
One in the park as well  
The sturdy kind that doesn't mind the snow.

It's beginning to look a lot like Christmas  
Soon the bells will start  
And the thing that will make them ring  
Is the carol that you sing within your heart...
