Your sweet expression
The smile you gave me
The way you looked when we met

It's easy to remember
So hard to forget

I hear you whisper
I always love you
I know it's over and yet

It's easy to remember
But, oh, so hard to forget

So I must dream
To have your hand caress me
Fingers press me tight

I'd rather dream
Than have that lonely feeling
Stealing through the night

Each little moment
Is clear before me
And though it brings me regret

It's easy to remember
But so hard to forget

So I must dream
To have your hand caress me
Fingers press me tight

I'd rather dream
Than have that lonely old feeling
Stealing through the night

Each little moment
Is clear before me
And though it brings me regret

It's easy to remember

And so hard to forget
