(Bernie Baum - Johnny Rotella)

Let me take you to Capri and we'll sail to Neapoli  
Oh, what lovely sights we'll see just close your eyes  
Picture us in London town while the rain is drifting down  
See the diomand of the crown just close your eyes.

Imagine tropic waters gleamin' though we're only  
dreamin'  
When you're in love it makes you feel each dram you  
dream is real  
We can watch the sun in Rome sparkling on a palace  
dome  
While we're holding hands at home just close your  
eyes.

Though we're only dreamin'  
When you're in love it makes you feel each dram you  
dream is real  
We can watch the sun in Rome sparkling on a palace  
dome  
While we're holding hands at home just close your  
eyes...
