(John Klenner - Samuel Lewis)

Just friends love is no more
Just friends but not like before
To think of what we've been
And not to kiss again.

Seems like pretending
That it is the ending
Two friends drifting apart
Two friends but one broken heart.

We loved we laughed and we cried
And suddenly love died
The story ends
And we're just friends.

--- Instrumental ---

We loved we laughed and we cried
And suddenly love died
The story ends
And we're just friends...
