Hold me close
And hold me fast
This magic spell you cast
This is la vie en rose

When you kiss me
Heaven sighs
And though I close my eyes
I see la vie en rose

When you press me
To your heart
I'm in a world apart
A world where roses bloom

And when you speak
Angels sing from above
Everyday words
Turn into love songs

Give your heart
And soul to me
And life will always be
La vie en rose

And when you speak
Angels sing from above
Everyday words
Turn into love songs

Give your heart
And soul to me
And life will always be
La vie en rose

La vie en rose
La vie en rose
