Oh the weather outside is frightful
But the fire is so delightful
Since we've no place to go
Let it snow, let it snow, let it snow

Man, it doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, let it snow

When we finally kiss goodnight
How I'll hate going out in a storm
But if you really hold me tight
All the way home I'll be warm

And the fire is slowly dying
And my dear we're still goodbying
But as long as you love me so
Let it snow, let it snow, and snow

When we finally kiss goodnight
How I'll hate going out in a storm
But if you really grab me tight
All the way home I'll be warm

Oh the fire is slowly dying
And my dear we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snow
