Oh, let me go, let me go
Let me go lover
Let me be, set me free
From your spell

You made me weak, cut me deep
I can't sleep lover
I was cursed
From the first day I fell

You don't want me
But you want me to go on wanting you
How I pray that
You will say that we are through

Please turn me loose
What's the use
Let me go lover
Let me go, let me go, let me go

You don't want me
But you want me to go on wanting you
How I pray that
You will say that we are through

Please turn me loose
What's the use
Let me go lover
Let me go, let me go, let me go
