Long long ago  
Long long ago  
Long long ago  
Well they say it was better in oh so many ways  
Long long ago, long ago

They couldn't go to a movie show, listen to the radio,  
go for a ride in a car  
And on a very cold and wintery night  
They couldn't sit and watch a TV fight  
And when the summer came  
They will have to take a dame all bundled up to the  
beach  
They didn't know a girl could look so cute  
In a bikini suit

Oh how they sing of the good, good old days  
Long long ago  
Long long ago  
They couldn't swing in the good old days  
Long long ago, long ago

{At same time}  
They couldn't go to a movie show, listen to the radio,  
go for a ride in a car  
But they still talk of the good, good old days  
And on a very cold and wintery night  
Long long ago  
They couldn't sit and watch a TV fight  
Long long ago  
So when people say to me "nothings like it used to be"  
I don't believe that it's so  
They say it was better in so many ways  
They didn't have so much to brag about  
Long long ago, long ago  
Long long ago  
Long long ago  
Long long ago
