There ain't nothin' in the world for a boy and a girl
But love, love, love
Ooh love, love, love, love, love, love

There ain't nothin' in the world for a boy and a girl
But love, love, love
And that's the only thing I'm thinkin' of

Love can make you happy when you're feeling blue
If the one you love is in love with you

There ain't nothin' in the world for a boy and a girl
But love, love, love
Yeah, love, love, love, ooh, love, love, love

There ain't nothin' in the world for a boy and a girl
But love, love, love
And that's the only thing I'm thinkin' of

Love, love, love, love, love, love, love, love, love
Love, love, love
That's the only thing I'm thinkin' of

Love can make you happy when you're feelin' blue
If the one that you love is in love with you

There ain't nothin' in the world for a boy and a girl
But love, love, love, love, love
Yeah love, love, love, oh love, love, love

There ain't nothin' in the world for a boy and a girl
But love, love, love
That's the only thing I'm thinkin' of
That's the only thing I'm thinkin' of
