Making love ukulele style
Making love ukulele style

Making love ukulele style
You needn't be in Waikiki
Making love ukulele style
You a lovely ukulele serenade

When you love ukulele style
Well, everyone knows you're heart will float far away
To a tropic isle
While a ukulele tune is softly played

Strolling along beneath the starlight
Dreaming a lover's dream for two
Soon you will see her eyes of starlight
As the ukulele magic comes through

Now if you want to satisfy
The one that you love all else above
Take a tip and be sure you try
The ukulele style of making love

Strolling along beneath the starlight
Dreaming a lover's dream for two
Soon you will see her eyes of starlight
As the ukulele magic comes through

Now if you want to satisfy
The one that you love all else above
Take a tip and be sure you try
The ukulele style of making love

Try the ukulele style of making love
Try the ukulele style of making love
