MAMA ROMA

Writers Henry, Weiss

(Mama Roma, Mama) (Mama Roma, Mama) She's a town with a heart Just the place for the start of amorÃfÃfÃ,Â© (Mama Roma, Mama) For the old tidal shores See the young by the score from each doorway (Mama Roma, Mama) Mama Roma has eyes That were burned from the skies of amorÃfÃfÃ,Â© Mama Roma takes care Just to lead them to their one and only On a strada in Rome I was walkin' alone It was Springtime (Mama Roma, Mama) Like a soft-hearted Mama The City took pity on me Soon a voice, oh so tender and dulcÃfÃfÃ,Â© Was saying "Ti amo" (I love you, I love you) Like a dream comin' true Mama Roma had sent me to you (Mama Roma, Mama) (Mama Roma, Mama) (Mama Roma, Mama) Like a soft-hearted Mama The City took pity on me Soon a voice, oh so tender and dulcÃfÃfÃ,Â© Was saying "Ti amo" (I love you, I love you) Like a dream comin' true Mama Roma had sent me to you (Mama Roma, Mama) Mama Roma (Mama Roma, Mama) Mama Roma (Mama Roma, Mama) Mama Roma.....FADE
