The faucet it is dripping and the fence is falling down
My pocket needs some money so I can't go in to town
My brother he ain't working and my sister doesn't care
The car it needs a motor so I can't go anywhere

Manana Manana
Manana is soon enough for me

Once I had some money but I gave it to a friend
He said he'd pay me double he was only for a lend
But he said a little later that the horse it was so slow
Why he gave the horse my money is something I don't
know

Manana Manana
Manana is good enough for me

My brother took his suitcase and he went away to
school
My father said he only learned to be a silly fool
My father said that I should learn to make a chili pot
But then I burned the house down the chili was too hot
Manana Manana
Manana is soon enough for me

The window it is busted and the rain is coming in
If someone doesn't fix it I'll be soaking to my skin
But if we wait a day or two the rain may go away
And we don't need a window on such a lovely day
Manana manana manana is soon enough for me
Manana manana manana is soon enough for me
