Sweet, sweet memories you gave-a me
You can't beat the memories you gave-a me

Take one fresh and tender kiss
Add one stolen night of bliss
One girl, one boy
Some grief, some joy

Memories are made of this

Don't forget a small moonbeam
Fold in lightly with a dream
Your lips and mine
Two sips of wine

Memories are made of this

Then add the wedding bells
One house where lovers dwell
Three little kids for the flavor

Stir carefully through the days
See how the flavor stays
These are the dreams you'll savor

With his blessings from above
Serve it generously with love
One man, one wife
One love through life

Memories are made of this
Memories are made of this
