(George A. Norton - Ernie Burnett - Maybelle E. Watson)

Come sweetheart mine don't you sit and pine
Tell me of the cares that make you feel so blue
What have I done answer me hon
Have I ever said an unkind word to you.

Come to me my melancholy baby
Cuddle up and don't you be blue
All your fears thwy're foolish fancy maybe
You know dear that I'm in love with you.

Every cloud must have a silver linin'
Wait until the sun shines through
Smile my honey dear while I brush away each tear
Or else I shall be melancholy too...
