Maybe I'm right and maybe I'm wrong
Well maybe I'm weak and maybe I'm strong
But nevertheless I'm in love with you
Maybe I'll win and maybe I'll lose
Maybe I'm in for crying the blues
But nevertheless I'm in love with you
Somehow I know at a glance the terrible chances that
I'm taking
Fine at the start that left with a heart that's breaking
Maybe I'll live a life of regret
And maybe I'll give so much more than I get
But nevertheless I'm in love with you
Somehow I know at a glance the terrible terrible
chances I'm taking
Fine at the start but then left with a heart that's
breaking
Maybe I'll live a life of regret
And maybe I'll give much more than I get
But nevertheless I'm in love with you
The Night Is Young And You're So Beautiful
The night is young and you're so beautiful
Here among the shadows beautiful lady
Open your heart the sea is set the breezes sing of it
Can't you get into the swing of it
Lady where do we start

When the lady is kissable
And the evening so cool
Any dream is permissible
In the heart of a fool

Oh the moon is high and you're so glamorous
And if I seem over amorous
Lady what can I do
The night is young and I'm in love with you

The moon is high and you're so glamorous
And if I seem over amorous
Lady what can I do
The night is young and I'm in love with you
