Where are you now that I need you  
Now that I want you so badly I could cry  
Where are you where did fate lead you  
Funny how I dreamed you'd still be standing by.

I had you at my beck and call  
I called you any time at all  
I guess it took too much for granted  
I never thought I'd lie awake and sigh  
Where are you now that I need you  
Now that I love you so madly I could die.

I had you at my beck and call  
I called you any time at all  
I guess it took too much for granted  
I never thought I'd lie awake and sigh  
Where are you now that I need you  
Now that I love you so madly I could die...
