To be loved is a thrilling sensation as thrilling as can be  
Though it happens in every nation they greet it  
differently  
Every mademoiselle with pasoolala, every Englishman  
talks to his pater  
Every spittin' Venetian goes tra la la and the Irish say, ?  
Mother McCree?  
But when I look at you and I thrill like I do there is only  
one thing I can say

Oh boy! Oh boy! Oh boy! Oh boy! Oh boy! Oh boy!  
(Oh boy! Oh boy!)  
Oh boy what a joy, a joy, a joy, a joy, a joy  
(A joy, a joy)  
To know that you love me by heaven above me  
I never expected to pick you off the vine

The others will try and try and try and try and try  
To give you the eye, the eye, the eye, the eye, the eye  
But when they approach you I'll keep them in line  
(In line, in line)  
By telling them oh boy! Oh boy! Oh boy! You're mine

Certain characters hi-diddle-diddle when cupid comes  
along  
Some mechanics shift gears in the middle and  
drummers kick the gong  
Every cowboy I know hollers yipee-a-ay, every clown in  
the circus  
Goes oopla, every sailor in port hollers anchors aweigh  
And an Indian gives you a uhh but when you hold me  
tight  
Like you're doing tonight there is only one thing I can  
say

Oh boy! Oh boy! Oh boy! Oh boy! Oh boy! Oh boy!  
(Oh boy! Oh boy!)  
Oh boy what a joy, a joy, a joy, a joy, a joy  
(A joy, a joy)  
To know that you love me by heaven above me  
I never expected to pick you off the vine

The others will try and try and try and try and try  
To give you the eye, the eye, the eye, the eye, the eye  
But when they approach you I'll keep them in line  
(In line, in line)  
By telling them oh boy! Oh boy! Oh boy!  
(Oh boy! Oh boy! Oh boy!)  
Oh boy! Oh boy! Oh boy! Oh boy! You're mine
