(Both) Rover, Rover move it over, two cats are coming
in.

(N) I told my wife we oughta save money
(N) That's the way it's gotta be (D) Oh gotta gotta be
that way
(N) She cancelled all the charge accounts gave all the
gold to me
(D) Well, I can't see what you did wrong
(D) Why was your woman so upset
(N) Well, I put the money on a horse and he hasn't
showed up yet.

(Both) Open up the doghouse

(N) Well Dean, what's your problem (D) Here it is
(D) I gave my wife a beautiful fur coat (N) You did
(D) Told her it was genuine mink (N) Rich man
(D) I took her out to show it off
(D) Then we stopped in for a drink (N) Oh cocktails
(N) Well, I know your wife was really thrilled
(N) How come you two had a spat
(D) It's easy to see it started to rain the coat got wet
(D) And mink just don't smell like that (N) Timber.

(Both) Open up the doghouse

(D) Let's hear it Nat (N) You know what you know what
though

(D) What
(N) There's just one way to handle a woman
(N) Dean we just got to treat 'em rough (D) Got to slap
'em
(N) That's right (D) We got to show 'em who wears the
pants
(D) Cut out that sissy, sissy stuff
(N) Now it ain't no use to take abuse
(N) Whenever they are cranky or cross
(Both) Let's put the women in their place and we'll show
them who's the boss.
