Oh, please release me, let me go
I don't love you anymore
To live a lie would be a sin
Release me and let me love again

Oh, I have found a new love, dear
And I'll always want her near
Her lips they're warm while yours're cold
Release me and darling, let me go

Please, release me, let me go
I don't love you anymore
For to live a lie would be a sin
Release me and let me love again

Please, release me let me be
You'd be a fool to cling to me
For to live a lie would bring us pain
Release and let me love again
