(Allan Roberts - Alan Holt)

There we met and there we parted by the lovely river
Seine
Two young lovers broken hearted for we knew we'd
loved in vain
And though years may go some day I know she'll come
to Paris again
And I'll find her where I lost her by the lovely river
Seine.

--- Instrumental ---

There we met and there we parted by the lovely river
Seine
Two young lovers broken hearted for we knew we'd
loved in vain
And though years may go some day I know she'll come
to Paris again
And I'll find her where I lost her by the lovely river
Seine...
