(Roses, roses)

If I sent a rose to you
For every time you made me blue
You'd have a room full of roses
If I sent a rose of white

For every time I cried all night
You'd have a room full of roses

If you'd took the petals
And you tore 'em all apart
You'd be tearing half the roses
Just the way you tore my heart

And if some day you're feeling blue
You could send some roses too
Well, I don't want a room full of roses
I just want my arms full of you

You'd have a room full of roses
You'd have a room full of roses

If you took the petals
And you tore 'em all apart
You'd be tearing half the roses
Just the way you tore my heart

And if some day you're feeling blue
You could send some roses too
But I don't want a room full of roses
I just want my arms full of you
