Here I am, in broken wings
Quite thoughts, unspoken dreams
Here I am, alone again
I need her now to hold my hand

She's all, she's all I ever had
(She's the air I breath, yeah)
She's all, she's all I ever had, ooh

That's the way she makes me feel
That's the only thing that's real
That's the way she understands
She's my love or she's my friend
When I look into her eyes
It's the way I feel inside
Like the man I want to be
She's all I'll ever need

So much time, so much pain, (but)
And there's one thing that still remains (it's the)
The way she cared and the love we shared
And trough it all
She's always been there

She's all, she's all I ever had
(In the world so cold so empty)
She's all, she's all I ever had, ooh

That's the way she makes me feel
That's the only thing that's real
That's the way she understands
She's my love or she's my friend
When I look into her eyes
It's the way I feel inside
Like the man I want to be
She's all I'll ever need

Ooh, ah ,ooh, ah

She's all, she's all I ever had
(The love to make me seen)

She's all, she's all I ever had, ooh

Here I am
