So darling, I can dream on it, too

Send me the pillow that you dream on
Don't you know that I still care for you?
Send me the pillow that you dream on
So darling, I can dream on it, too

Each night while I'm sleeping oh, so lonely
I'll share your love in dreams that once were true
Send me the pillow that you dream on
So darling, I can dream on it, too

I've waited so long for you to write me
But just a memory's all that's left of me
So send me the pillow that you dream on
So darling, I can dream on it, too
So darling, I can dream on it, too
