Well, I never felt more like singing the blues  
'Cause I never thought  
I'd ever lose your love, dear  
Why'd you do me this way

Well, I never felt more like crying all night  
'Cause everything's wrong  
And nothing is right without you  
You got me singing the blues

Oh, the moon and stars no longer shine  
The dream is gone, I thought was mine  
Nothing left for me to do but cry over you  
(Cry over you)

Well, I never felt more like running away  
But why should I go  
'Cause I couldn't stay without you  
You got me singing the blues  
(Singing the blues)

You got me singing the blues  
(Singing the blues)

The moon and stars no longer shine  
The dream is gone, I thought was mine  
Nothing left for me to do but cry over you  
(Cry over you)

Well, I never felt more like running away  
But why should I go  
'Cause I couldn't stay without you  
You got me singing the blues

Singing the blues
