Sleepy time gal, you're turning night into days  
Sleepy time gal, you've danced the evening away  
Before each silvery star fades out of sight  
Please give me one little kiss then let us whisper  
goodnight  
It's getting late and dear your pillow's waitin'

Sleepy time gal, when all your dancing is through  
Sleepy time gal, I'll find a cottage for you  
You'll learn to cook and sew  
What's more you'll love it I know  
When you're a stay at home  
Play at home, 8 o'clock sleepy time gal

It's getting late and dear your pillow's waiting  
Sleepy time gal, when all your dancing is through  
Sleepy time gal, I'll find a cottage for you  
You'll learn to cook and to sew  
What's more you'll love it I know  
When you're a stay at home  
Play at home, 8 o'clock sleepy time gal
