(Geoffrey Parsons - John Turner - Charles Chaplin)

Smile though your heart is aching smile even though  
it's breaking

When there are clouds in the sky you'll get by  
If you smile through your fear and sorrow smile and  
maybe tomorrow  
You'll see the sun come shining through for you.

Light up your face with gladness hide every trace of  
sadness

Although a tear may be ever so near  
That's the time you must keep on trying smile what's  
the use of crying  
You'll find that life is still worthwhile if you'll just smile.

That's the time you must keep on trying smile what's  
the use of crying  
You'll find that life is still worthwhile if you'll just smile...
