I note that someday  
You'd want me to want you  
When I'm in love  
With somebody else

You expect me to be true  
And to keep on loving you  
Though I'm feeling blue  
You'd think, I can't forget you

Until someday  
You'll want me to want you  
When I'm strong  
For somebody new

And though you don't want me now  
I'll get along somehow  
And then I won't, won't want you

Until someday  
You'll want me to want you  
When I'm strong  
For somebody new

Although you don't want me now  
I'll get along somehow  
And then I won't, I won't want you
