I was born in Texas  
I was bred in Kansas  
When I get married I'll be wed in Kansas  
There's a true blue gal who promised she would wait  
She's a sunflower from the Sunflower State

She's a sunflower, she's my sunflower  
And I know we'll never part  
She's my sunflower, she's my one flower  
She's a flower of my heart

I was fair in Kansas, clouds are rare in Kansas  
Never saw a place that could compare with Kansas  
So I'm going home to keep a wedding date  
With a sunflower from the Sunflower State

She's a sunflower, she's my sunflower  
And I know we'll never part  
She's a sunflower, she's my one flower  
She's a flower of my heart
