(Take good care of her, take good care of her.)

I supposed I ought to say congratulations  
For you've won the only girl I've ever loved  
But I've hurt too much to face the situation  
Take good care of her, take good care of her.

Just to be around her was my greatest pleasure  
She was everything my future held in store  
So remember when you take my only treasure  
Take good care of her, take good care of her.

I must accept it, she loves you more than me  
So with my broken heart I'll bow out gracefully.

Please don't send me any wedding invitations  
For I couldn't bare to see her there with you  
If she's happy that will be my consolation  
Take good care of her, take good care of her.

I must accept it, she loves you more than me  
So with my broken heart I'll bow out gracefully.

Please don't send me any wedding invitations  
For I couldn't bare to see her there with you  
If she's happy it will be my consolation  
Take good care of her, take good care of her.

I still love her, take good care of her...
