(Sheb Wooley)

When you said goodbye I made up a lie told every one  
that I knew  
Our love was not real so I played a field and that I never  
loved you  
I put up a front and walked down the street foragin' a  
smile at the time  
And nobody knows I'm missin' you so it's drivin' me out  
of my mind.

The middle of the night is when I cry  
The middle of the day is when I lie  
Tell everyone that I'm doing fine  
But the middle of the night is my cryin' time.

--- Instrumental ---

All of our friends ask where I've been they haven't seen  
me around  
I just give a wink and I'm hopin' they think I've been out  
paintin' the town  
Sometimes it seems alone in my dreams I'm holdin'  
you once again  
When I awake it's so hard to take and that's when the  
teardrops begin.

Oh, the middle of the night is when I cry  
The middle of the day is when I lie  
Tell everyone that I'm doing fine  
But the middle of the night is my cryin' time.

--- Instrumental ---

I put up a front and walked down the street foragin' a  
smile at the time  
And nobody knows I'm missin' you so it's drivin' me out  
of my mind.

The middle of the nigh is my cryin' time  
The middle of the day is my lyin' time

I tell everyone that I'm doing fine  
But the middle of the night is my cryin' time.

(The middle of the nigh is his cryin' time.)  
The middle of the nigh is my cryin' time.  
The middle of the nigh is my cryin' time...
