The object of my affection  
Can change my complexion  
From white to rosy red, anytime she holds my hand  
Tells me that she's mine

There are many girls who can thrill me  
And some who can fill me with dreams of happiness  
But I know I'll never rest until she says she's mine  
I'm not afraid, she'll leave me

'Cause she's not the kind who'll be unfair  
But instead I trust her implicitly  
She can go where she wants  
And go, do what she wants, I don't care

The object of my affection  
Can change my complexion  
From white to rosy red, anytime she holds my hand  
And tells me that she's mine

There are many girls who can thrill me  
And some who can fill me with dreams of happiness  
But I know I'll never rest until she says she's mine  
I'm not afraid, she'll leave me

'Cause she's not the kind who'll be unfair  
But instead I trust her implicitly  
She can go where she wants  
And go do what she wants, I don't care

The object of my affection  
Can change my complexion  
From white to rosy red anytime she holds my hand  
And tells me that she's mine
