Peddler man, peddler man

Come along ladies, look and buy
Come along ladies, don't be shy
Ladies, ladies here's the peddler man
I'm just a poor but honest peddler

I got a wagon and a donkey
If you need pots, I've got lots
Need a hat, I've got that
Take your time, I've got time

I'm still in my prime peddler man
Ten I love, nine I've forgot
Giddyup donkey, one more mile
Giddyup donkey, stop awhile

What a lot of pretty girls I've met
Ten I love, nine I forgot
Giddyup donkey, don't be slow
Giddyup donkey, home we go

To the only one I can't forget
(Peddler man, peddler man)
I like to hear the daughters calling
"Oh mama, mama, here's the peddler man"

You want a gown blue or brown
Want some hose, I've got those
Look and buy, don't be shy
I can satisfy
(Peddler man, peddler man)

(Ten he loved, nine he forgot)
Giddyup donkey one more mile
Giddyup donkey stop awhile
What a lot of pretty girls I've met

Ten I loved, nine I forgot
Giddyup donkey don't be slow
Giddyup donkey home we go
To the only one I can't forget

Peddler man, peddler man
Peddler man, peddler man
Peddler man, peddler man
