Everybody tells me now they knew you would It's a well known secret I just couldn't see And the whole world knew with a small exception of me Everybody knows we cried our final tears Everybody knows we wasted all these years Long ago they said I'd have to sat you free And the whole world knew with a small exception of me With a small exception of me the world is wise With a small exception of me it's no surprise So it's funny the way that I could be so blind Funny when it's out of sight it's out of mind Now the truth has known and it's plain enough to see That the whole world knew with a small exception of me
