I'd work for you, I'd slave for you  
I'd be a beggar or knave for you  
If that isn't love, it'll have to do  
Until the real things comes along.

I'd gladly move the earth for you  
To prove my love dear and it's worth to you  
If that isn't love, it'll have to do  
Until the real things comes along.

With all the words dear at my command  
I just can't make you understand  
I'll always love you darlin', come what may  
My heart is yours what more can I say.

I'd sigh for you oh I'll cry for you  
I'd tear the stars down from the sky for you  
If that isn't love, it'll have to do  
Until the real thing comes along.

With all the words dear at my command  
I just can't make you understand  
I'll always love you darlin', come what may  
My heart is yours what more can I say.

I'd sigh for you and I'll cry for you  
I'd tear the stars down from the sky for you  
If that ain't love, it'll have to do  
Until the real thing comes along.

Until the real thing comes along.  
Until the real thing comes along...
