Way down yonder in New Orleans
In the land of the dreamy dreams
There's a garden of Eden
That's what I mean

Creole babies with flashing eyes
Softly whispering with the tender sighs

Stop
Oh, won't you give your lady fair a little smile?
Yeah, stop
You bet your life you'll linger there a little while

Well, there is heaven right here on earth
With those beautiful queens
Way down yonder in New Orleans

Way down yonder in New Orleans
In the land of the dreamy dreams
There's a garden of Eden
That's what I mean

Creole babies with flashing eyes
Softly whispering with the tender sighs

Stop
Oh, won't you give your lady fair a little smile?
Stop
You bet your life you'll linger there a little while

Well, there is heaven right here on earth
With those beautiful queens
Way down yonder in New Orleans
