Wedding bells, wedding bells

I have the invitation that you sent me  
You wanted me to see you change your name  
I couldn't stand to see you with another  
But I hope you're happy just the same

Wedding bells are ringing in the chapel  
That should be ringing out for you and me  
Down the aisle with someone else you're  
walking  
So wedding bells will never ring for me

I planned a little cottage in the valley  
I even bought a little band of gold  
I thought some day I'd place it on your finger  
But now the future looks so dark and cold

Wedding bells are ringing in the chapel  
That should be ringing out for you and me  
Down the aisle with someone else you're  
walking  
So wedding bells will never ring for me  
So wedding bells will never ring for me

Wedding bells
