(Stanley Adams - Marie Grever)

What a difference a day made
Twenty four little hours
Brought the sun and the flowers
Where there used to be rain.

My yesterday was blue dear
Today I'm part of you dear
My lonely nights are through dear
Since you said you were mine.

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy since
That moment of bliss that thrilling kiss.

It's heaven when you find
Romance on your menu
What a difference a day made
And the difference is you...
