Where are you now that I need you  
Now that I want you so badly I could cry  
Where are you? Where did fate lead you?  
Funny, how I dreamed you'd still be standing by

I had you at my beck and call  
I called you any time at all  
I guess I took too much for granted  
I never thought I'd lie, awake and sigh

Where are you, now that I need you  
Now that I love you so madly I could die

I had you at my beck and call  
I called you any time at all  
I guess I took too much for granted  
I never thought I'd lie awake and sigh

Where are you now that I need you  
Now that I love you so madly I can die
