Sleigh bells ring are you listening
In the lane snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He's singing a song as we go along
Walking in a winter wonderland

Yeah, in the meadow we can build a snowman
And pretend that he is Parson Brown
He'll say are you married we say no man
Oh, but you can do the job when you're in town

Later on we'll conspire
As we dream by the fire
To face unafraid of the plans that we made
Walking in a winter wonderland

In the meadow we can build a snowman
And pretend that he is Parson Brown
He'll say are you married we say no man
Oh, but you can do the job when you're in town

Later on we'll conspire
As we dream by the fire
To face unafraid of the plans that we made
Walking in a winter wonderland

Oh, walking in a winter wonderland
You know what I'm talking
Walking in a winter wonderland
