Choir: I can hear a mandolino)
Write to me from Naples
Write me every day
I love you and Naples
More than words can say
Call me Cara Mia
Tell me all that's new
Write to me from Naples
Keep my heart with you

Choir:
I can hear a mandolino
Softly entice
While I raise a glass of vino
Praising your eyes

Since we said Arrivederci
My poor heart cries
For a letter from you

Write to me from Naples
I love you and Naples
Call me Cara Mia
tell me all that's new
Write to me from Naples
Keep my heart with you
Keep my heart with you

You Belong To Me
