You and your beautiful eyes
That tell such beautiful lies
Oh, when you start that hocus pocus
Boy, things get out of focus

You and the way that you kiss
Well, they ought to give you a prize
Baby, you could make a statue
Come to life just looking at you
You and your beautiful eyes

You
(You're so observant)
And your beautiful eyes
(But so arrogant)

That tell
(This lie you're selling)
Such beautiful lies
(May start my head and swelling)

When
(Tell me some more)
You start that hocus pocus
(Jumping Jiminy Crickets)
Boy, things get out of focus

Well talk about you
(Well, honey please do)
And the way that you kiss
(You'll like this)
You ought to stage a big parade
Give you a prize

Your lips, let's try them on for size
Oh, baby, you could make a statue
Come to life just looking at you

(Don't stop)
Gee, but you're beautiful
(Don't stop)
Oh, but they're beautiful

You and your beautiful eyes
Yes, you and your beautiful eyes
