I'm feeling weak  
I know what you think  
What you think of me  
Say what you feel  
No kin will ever come from me

Can't find nothing to leave behind  
Don't try to change my mind  
Last hours of my time  
I'll soon be gone

And I don't wanna last forever  
I'm letting go  
'Cause everything ends  
And I sure can  
End this with my life  
I'll die with my bloodline

I shed no tears  
I am what I am and I face my fears  
Why can't you see?

No kin will ever come from me

Don't feed me with your filthy lies  
Can't change me even if you try  
Last hours of my time  
I'll soon be gone

And I don't wanna last forever  
I'm letting go  
Cause everything ends  
And I sure can  
End this with my life  
I'll die with my bloodline

Everything ends  
And ill end this with my life  
Cause everything ends  
And I'll die with my, with my bloodline
