In The Veins No Throbbing Blood  
Pulse Beat Going On Zero Line  
Open Mouth And Fixed Look  
Hold One's Breath Forever

Fuck I Am Dead  
Fuck I Am Dead  
Fuck I Am Dead  
Fuck I Am Dead

Visions Passing Off  
Enter To Mortuary  
Now It's Time To Decide  
To Mend One's Way

Body Going Back To Origin  
Curious Look Of Coroner  
Complete Body Searching  
Transported On A Stretcher

Fuckin' Layed Out In Stage  
Wrapped In A Shroud  
Zipper Closed Over The Face  
Before The Amusing Crowd

Dead Full Capacity

Last Part Of My Destiny
