Come
Come
Falling Into A Hole - Come
Deeper Than Your Soul- Come
Dying Slowly- Dying Painfully
Rot

I Need Your Blood - Come
I'm The Crawling Death - Come
Necronomicon - Full Satisfaction
No Protection
You Belong To Me
Carving Up Your Flesh

Time Has Come To Eat Your Skin
The Life I Lost I Now Regain
I Become Stronger More And More
In This Life I Have Killed
My Life For Death Will Never End

Taste Of Blood
Bodies In Dusk
Taste Of Blood
I Am A Gory Son
