You simply defy, I cannot and look through the sky  
We try it single file, dig on me here is my denial  
I cannot ever find something safe my tongue on the fly  
I cannot live this way, floorin' me, we'll kick the P.A.

You wanna play with me?  
I'm really gonna rock your world  
You wanna come for me?  
I'm gonna rock your world

You say everything is fine, I cannot compete with the  
skies  
My sickness crossed the line, come and meet my fly  
through the sky  
I cannot ever find, you and me we'll make all the lines  
Oh, if they could see the play, no one would wanna be  
me

You wanna play with me?  
I'm really can rock your world  
You wanna come for me?  
I'm gonna go rock your world

So I fly, take me  
I cannot fly, most people hate me  
To fly away from this pain

So I fly, take me  
I cannot fly, most people hate me  
To fly away from this pain

Please take away, please take away my P.A.

So I fly, take me  
I cannot fly, most people hate me  
To fly away from this pain, this pain  
(Please take pain)

Would you want some P.A.?

Please take away, please take away my P.A.  
Please take away, please take away my P.A.

Please take away, please take away my P.A.  
Please take away, please take away my P.A.  
Please take away, please take away my P.A.  
Please take away, please take away my P.A.  
Please take away, please take away my P.A.  
Please take away, please take away my
